<p>Pressure Ulcer Staging Guidelines</p>	<p>In February 2007, the National Pressure Ulcer Advisory Panel has redefined the definition of a pressure ulcer and the stages of pressure ulcers, including the original 4 stages and adding 2 stages on deep tissue injury and unstageable pressure ulcers. This work is the culmination of over 5 years of work beginning with the identification of deep tissue injury in 2001.</p>	<p>National Pressure Ulcer Advisory Panel (NPUAP)                  2300 N Street NW, Suite 710                  Washington, DC 20037                  Phone: 202- 521-6789                  www.npuap.org</p>	<p><a href="http://www.npuap.org/pr2.htm">http://www.npuap.org/pr2.htm</a></p>
